THE
TRADE "HYGENA" MARK
STERILIZER

PRICE - - 1/6

This is specially designed for sterilizing check pessaries, sheaths or sponges, and also for keeping them in perfect condition when not in use. It is made of porcelain glass with an airtight screw down lid.

THE
TRADE "HYGENA" MARK
ANTISEPTIC
TABLETS.

PRICE - 1/6 PER BOTTLE.

We would draw ladies' attention to these tablets. They are specially prepared for use with the above sterilizer, and also for making an antiseptic solution for washing out the female passage after any preventative is used, or after the monthly period, or at any time when perfect hygienic conditions are desired. They are of no use as a preventative.
