repeat, or the law. He sums up his proposals
"1. Abortion under certain safeguards should be legal.

"2. As a general rule, abortion should be permitted up to the end of the third month only. Only exceptional cases and for valid reasons should be permitted in the fourth, fifth or sixth month. Therapeutic abortion should be permitted in all cases according to the physician's judgment.

"3. Only properly licensed physicians, and those specialising in obstetrics and gynaecology, should be permitted to perform abortions. The performance of an abortion by unqualified men or women should be a penal offence."

MEDICAL SEX DICTIONARY

Dr. Robinson has also published a Medical Sex Dictionary this year. The publisher and price are the same as above. It is a substantial and well-illustrated work of 187 pages. The address of the Eugenics Society Company is 319 West 48th Street, New York, U.S.A.

THE FRUITS OF HITLERISM

"The contemporary Berlin stage is hardly an advertisement for National-Socialist 'Kultur'."

"The first two months of this theatre season have revealed a remarkable decline in the vitality of the Berlin stage, which for many years has been the most exciting in Europe. The major theatres which still manage to remain open are showing insignificant comedies to half-empty houses."
