There has been a medical Research Committee
since 1922 guiding the work of the Society.

FREE Clinic open daily : Hours 10—6,
except Saturdays.

Library, Reference and Lending, hours as above.

MOTTO OF THE SOCIETY.

Joyous and deliberate Motherhood.
A sure light in our Racial Darkness.

Part of the work of the Clinic has been the
training of members of the medical profession.
Special:—**Doctors' Demonstration Days** are held
every **first Wednesday in the month.** Previous
application is necessary.

The Society is the pioneer and centre of the
world-wide movement of Constructive Birth Con-
trol and Clinics. Membership is open to all who
are interested. Advice at the Clinic is free.
