

Ricover A

July 1999

RU-486

(?)

From medical point of view everything is known/clear

NEED 1 → Registration for EV
2 → distribution in Europe/World
3 → Should be cheap (cheaper than surgical abortion)
4 → Women not hospitalized

PPF duty should be:
to take political action(s) to avoid
the monopol of one company
to decide about use of
oral prostaglandins in combi-
nation with
RU-486

10 times
